

Architecture for Wellbeing vs Wellbeing in Architecture

03 October, 2024 10 am – 9 pm

Venue: Central Hall, Edinburgh

Align your brand with the forefront of design and architecture's impact on societal wellbeing. We invite you to participate in a day of workshops, seminars, panel discussions, and product discovery, where industry leaders will delve into the transformative power of design in promoting health and wellbeing.

Join us as we explore how your support can contribute to advancing thoughtful design practices and prioritising the health and wellbeing of designers and architects alike.
